

NICHOLAS M. CUSHMORE

ARM, AINS, Vice President

ACTIONS MATTER.®

Nick Cushmore joined the Graham Company in 2005 and is a Vice President of the Technical Development Department. Since beginning his career at the firm, Nick has performed in various capacities, including Account Analyst and Assistant Producer. In his current role, Nick acts as a technical resource for the development and training of new producers, participates in continuing education seminars and performs audits for new business quality assurance. He is also the leader of the Cyber Practice Group and manages a team of 18 Graham employees to keep abreast of the evolving coverages and market trends within the Cyber Liability marketplace.

Prior to joining the Graham Company, Nick was an Associate Account Executive at Aon Risk Management in New York, New York. In that capacity, he delivered day-to-day service on Global Programs for Fortune 500 accounts in Aon's Global Business Unit.

Nick graduated from Denison University with a bachelor's degree in history. He also holds the Associate in Risk Management (ARM) designation.
