Aaron Windle joined the Graham Company in March of 2022 as the Director of IT. In his role, Aaron is responsible for internal technology tools, systems, and services as well as working alongside our innovation teams and assisting our Cyber Practice group.

Prior to joining Graham, Aaron was the Director of IT for Nuna Baby Essentials, a global premium baby gear company, where he led the teams responsible for ERP & Logistics, Cyber Security, Technology Operations, and Digital Platforms.

Aaron graduated from Geneva College with a Bachelor's degree in Business Administration and a minor in Information Systems.

Outside of work, Aaron enjoys spending time with his family, CrossFit, and volunteering at the Bridge Academy and Community Center in Coatesville.
