

MEGHAN C. NOLAN, GSP

Associate Safety Consultant

ACTIONS MATTER.®

Meghan Nolan joined the Graham Company in June of 2022 to assume the role of Associate Safety Consultant. In this role, Meghan provides safety consultation services to clients in the manufacturing, distribution, real estate, financial and professional services, general services, and transportation industries.

Prior to joining the Graham Company, Meghan worked as an Environmental Health and Safety Specialist for Armstrong Flooring where her responsibilities included safety program and training development, hazard identification and analysis, incident investigation, and regulatory compliance.

Meghan graduated from Millersville University in May of 2022 with a B.S. in Occupational Safety and Environmental Health with a minor in Environmental Hazards and Emergency Management. After spending a year working in the insurance industries, Meghan attained an M.S. in Environmental Hazards and Emergency Management from Millersville University, where she focused and grew her passion for safety.

She is also a member of the American Society of Safety Professionals (ASSP) and holds a Graduate Safety Practitioner (GSP) certification from the Board of Certified Safety Professionals.
