Jack Nonnemaker joined the Graham Company in September 2022, taking on the role of Employee Benefits Account Analyst. In this capacity, he plays a crucial role in supporting his account teams and ensuring exceptional service for clients on a daily basis. Jack is passionate about fostering strong relationships with his clients and their employees, which he considers a cornerstone of his work.

Before starting at the Graham Company, Jack graduated from Temple University's Fox School of Business, where he studied Risk Management and Insurance.
