Since 2006, Alan has dealt extensively with all aspects of loss prevention in general industry and transportation including Safety Management, Risk Management, Fleet Safety, Industrial Hygiene, Property Fire Protection, Incident Investigation, Regulatory Compliance, Exposure Analysis, and Risk Assessments.

Alan joined The Graham Company in February, 2013 to assume the role of General Industry Safety Consultant. In this role, Alan provides safety consultation services to clients in manufacturing, distribution, transportation, real estate, health & human services, hospitality, professional services, and general services industries. Alan's strong background in Workers Compensation, Fleet Management, and Property Fire Protection is utilized to assist The Graham Company's clients with their ongoing loss prevention efforts. In addition to providing safety consultation, Alan is a member and past Co-Chair of The Graham Company's Innovation Team whose mission is to deliver a world class customer focused experience by embracing data driven, customer tailored technologies; while innovating the way Graham operates by improving our processes and service model.

Prior to coming to The Graham Company as a Safety Consultant, Alan worked for Chubb Group as a Risk Control Engineer and provided safety consultation to clients in New Jersey, New York, and Pennsylvania. Prior to working for the Chubb Group, Alan worked for Liberty Mutual as a Loss Prevention Consultant. Alan began his career with Liberty Mutual outside of Philadelphia. He later took a promotion within Liberty Mutual to Pittsburgh and handled large accounts in Western & Central Pennsylvania.

Alan currently resides in West Grove, PA with his loving wife and their three young children.

Alan graduated from Penn State University in 2005 with a B.S. in Industrial Health & Safety. Alan has attained the following professional designations: Certified Safety Professional (CSP), Certified Director of Safety (CDS) – fleet designation, Certified Electrical Safety Compliance Professional (CESCP), and Associate in Risk Management (ARM). In addition, Alan continues to hold his HAZWOPER (Hazardous Waste Operations and Emergency Response) certification since 2005 and is a Lean Six Sigma Yellow Belt. Alan is a “subject matter expert” in Project Management, Ergonomics, Industrial Hygiene, Property Exposure Evaluations, Commercial Auto, Electrical Safety, and Incident Investigation & Root Cause Analysis. In addition, Alan is fluent in English and Spanish.

In May, 2017, Alan graduated from Temple University’s Fox School of Business in Philadelphia, PA and attained his Executive MBA. He now uses his EMBA to enhance his services to The Graham Company clients which include continuing to improve risk management techniques while protecting their balance sheets.

Alan is a current member of the American Society of Safety Professionals (ASSP), North American Transportation Management Institute (NATMI), Greater Philadelphia Hispanic Chamber of Commerce (GPHCC), and is the Vice Chair for ANSI/ASSP Z15 Accredited Standards Committee (ASC) for Motor Vehicle Operations. He has written multiple articles with the purpose of mitigating risk. Alan served as a Staff Sergeant of the U.S. Army Reserves from 2002 through 2011. Alan was a member of Operation Iraqi Freedom (OIF) and Operation Enduring Freedom (OEF) in 2003-2004, where he received The Army Commendation Medal and The Army Achievement Medal.
