

MATTHEW G. MCGURKIN

ARM, AINS, Account Manager

Matt McGurkin joined The Graham Company in 2012, as an Account Analyst. During his tenure, he has been promoted to a Production Specialist, Associate Producer and an Account Manager. As an Account Manager, McGurkin is responsible for handling all aspects of the risk management programs for each of his clients. He has also worked on the Construction Industry Team while at the Company. McGurkin holds both the Associate in Risk Management (ARM) and Associate in General Insurance (AINS) designations.

Prior to joining Graham, McGurkin held various positions at SEI, a leading global provider of asset management and investment processing solutions.

McGurkin graduated from The College of Charleston with a Bachelor of Science degree

in Business Administration.
