PHILADELPHIA, PA – March 21, 2016 – [The Graham Company](#), one of the mid-Atlantic region's largest insurance and employee benefits brokerages, announces it has been ranked as the number two "Top Workplace for 2016" in the [midsize company category](#) by *The Philadelphia Inquirer* and [Philly.com](#). The annual list comprises 100 companies in the region and is compiled through an employee survey conducted by WorkplaceDynamics, LLP, a research firm that studies organizational health and employee engagement. At an awards ceremony on Wednesday, March 16, The Graham Company was recognized for being a top workplace award winner for seven consecutive years and honored with a special recognition for being one of the companies that received the highest survey scores from employee responses.

"The Graham Company has been a part of the fabric of the Philadelphia business community and insurance industry for more than 50 years. We're proud of the reputation we've built for providing the highest quality insurance products and services to our clients and exceeding our clients' expectations," said [William A. We always strive to do what is right and we believe that training, empowering and rewarding our employees is the right thing to do not only for our business, but our clients, who put their trust in us to help keep their businesses safe and thriving."

The "Top Workplaces" list is an effort to discover the best employers in the Philadelphia region, as decided by each company's employees. Employees were surveyed by WorkplaceDynamics on questions about workplace conditions, management team, execution of strategy, career path, direction and pay and benefits.

In 2010, The Graham Company was recognized on *The Philadelphia Inquirer's* "Top Workplaces" list as the top workplace in the small company category and since then has been represented on the list every year. In the past seven years, the company has been recognized twice as the [number one top workplace](#) in the Philadelphia region.

Since 2007, the firm has also been recognized as one of the top places to work in Pennsylvania by the Team Pennsylvania Foundation, Pennsylvania Department of Community and Economic Development, Pennsylvania State Council of the Society for Human Resource Management and the *Central Penn Business Journal*. In addition, the brokerage firm has received top honors on the *Philadelphia Business Journal's* annual Best Places to Work list as a "Hall of Fame" winner five times since 2008.
