

## **Dave Merker becomes a LEED certified Green Associate**

October 12, 2010

**Dave Merker**, SSMBB, SSBB, Account Manager at The Graham Company is now LEED certified as a professional who demonstrates expertise in green building design, construction and operations.

LEED, which stands for Leadership in Energy & Environmental Design, is the internationally recognized "green" building certification system. Dave is one of the very few Insurance Brokers in the area with this certification and he is also involved with the Green Building chapter here in the Philadelphia area.
