

Mark Alberto is nominated Chairman for the 2011 Assurex Global IT Conference

July 8, 2010

The Graham Company's Mark Alberto has been nominated as a Chairman for the 2011 Assurex Global IT Conference. At this annual Information Technology conference IT professionals meet to discuss technology trends and issues facing the independent insurance broker.

As Chairman, Mark will work with Assurex Global to develop relevant topics, speakers, sponsors, conference format and overall management and guidance to make the 2011 Information Technology Conference valuable and successful.
